Swan

Swan is a symbol of loyal love. Every Swan has only one partner in his life. Black and white echo the color of the swan. The diamond texture is like the glittering feathers of a swan.

Nile Garden

It shows the exotic scenery along the Nile. People seem to smell the fresh fragrance of flowers, fresh fragrance and the light flow of the river. People can't help but want to uncover the mystery of ancient Egypt.

Fruit harvest

Black is the background color, which is compared to the fertile black land. The golden fruit is like the golden autumn of harvest, which is full of hope. The whole set of flower noodles is dense and appropriate, breaking the tradition and adopting luxurious and bold multi color matching, so that people feel like they are in the field when enjoying beautiful utensils and delicious food.
